

Thank you For your time,

Hello my name is Josh. I am the Legal Librarian here at S.C.I
I am looking for a new friend and someone to chat with and get to know,
so here goes. I'm a strawberry Blonde with Blue Eyes; I am 5'11" Tall,
200 lbs. I've worked construction my entire life so I am a
strong burley man that can fix almost anything. I'm a Virgo,
I was born 8/27/77. I was born in Zanesville, Oh

I own my home in Perry county, Ohio and I am sick of it there.
I want a completely different life when I get out.

I did start a small business with my Father while I've
been here. The name of the business is Sleep Tight services LLC
we offer a moving; cleaning, Furniture, and Pest control, a
in one.

I am very respectful, I am open to everyone, including
LGBT community. I am charming, Fun as hell to
talk to. I really enjoy entertaining people. I believe in
pleasing my partner. I Love Bliss.

If You have any other resource lists please send me
one. Help Find me someone I can share my Feelings
with. I don't talk to people here and I feel kinda alone.
I TALK TO plenty of family, but I can't tell them my Feelings
in my heart and my desires and future dreams.

I included a picture of me and my Father Lonnie

Sincerely Josh
